FAQ- What to expect at the Sustainable Futures Escape Room

Q: How do I attend and access the event?

A: You will then be sent a single Zoom link ID you can use for your class.

Q: How should I set up my class/ groups?

A: **Recommended;** The event will work best if the teacher presents the escape room on their computer for the class. Students can then complete the activities together to solve the clues. **Optional;** You can split the class into smaller teams if you wish to make it more of a challenge, each group will need their own ICT/ internet access. You can forward them the escape room link.

Q: Is there a limit to the number of registrations we can have?

A: No

Q: When will I receive my Login(s)

A: Your Login will be sent to you approximately a week before the event goes live.

Q: What times can we access Sustainable Escape Room?

A: The session will open at 13:50 on Friday 24th September

Q: What ICT facilities do I need?

A: We will be using [Zoom](#), Google slides and Google forms. You will need to have internet access and a Zoom account (download software on your PC prior to the event).

Q: How can we prepare?

A: On Friday 17th September 2021 you will be sent an introduction video for you to share with your students about how they can brush up on their climate change knowledge before the event if they wish.

Q: How does the escape room work?

A: Click on the safe to start the challenge. Click on the items across in the room to reveal the clues. You will need to enter the final password to open the safe.
